

Call for Participation

We invite you to join us **12th International Conference on Control, Modeling and Computing (CMC 2026)**

This conference provides a premier global platform for sharing cutting edge research, innovative methodologies and advanced applications in Control Engineering, Modeling and Computing. As these fields continue to evolve rapidly, driven by breakthroughs in intelligent systems, autonomous technologies, cyber physical systems and data driven control, CMC 2026 aims to bring together leading researchers, practitioners and industry experts from around the world to exchange knowledge, foster collaboration and explore emerging trends shaping the future of modern control and computational systems.

High lights of CMC 2026 includes:

- 15th International Conference on Advanced Information Technologies and Applications (ICAITA 2026)
- 12th International Conference on Software Engineering (SOFT 2026)
- 15th International Conference on Data Mining & Knowledge Management Process (CDKP 2026)
- 7th International Conference on Cloud, Big Data and Web Services (CBW 2026)
- 13th International Conference on Networks and Communications (NCO 2026)
- 17th International Conference on Ad hoc, Sensor & Ubiquitous Computing (ASUC 2026)
- 15th International Conference on Soft Computing, Artificial Intelligence and Applications (SAI 2026)
- 7th International Conference on Advanced Natural Language Processing (AdNLP 2026)
- 13th International Conference on Signal and Image Processing (Signal 2026)
- 7th International Conference on Machine Learning & Trends (MLT 2026)

Registration Participants

Non-Author /Co-Author /Simple Participants (No Paper)

450 USD for Online (Without Proceedings)

490 USD for Face to Face (With Proceedings)

Here's where you can reach us: cmc@cmc2026.org OR conferencecmc18@gmail.com
